Dear Sponsor,

I am writing on behalf of Community Partnership for Children (CPC), a nonprofit organization that believes every child deserves early care and education at the highest standards. We educate and advocate for sustainable policies and practices that are beneficial to all those serving young children in Grant County. We are seeking funding to help support our efforts to continue providing our community a connection for all local early childhood education programs serving children ages 0-5 years old. We will be hosting our second annual, county-wide September Spectacular fundraiser on September 14th at Bataan Memorial Park in Santa Clara, NM. We are seeking sponsors and donations for the event as well as proceeds to progress CPC's work in supporting Grant County families and young children.

The focus at CPC is to network and collaborate with center and home-based Early Childhood Education programs, local, state, and national government entities, as well as Grant County School Districts and many others. Indirectly, CPC services impact families and children, businesses, employers, and help to grow economic development in our local community. In FY 2022-23, we impacted more than 1,000 children and 800 families.

Our current projects that you are supporting consist of:

- Kids Space After School/Summer Program (KSSAP)
- CPC's September Spectacular
- Empower Families, Nurturing Children Caregiver Education (EGNC)
- Family Leadership Team (FLT)
- Homegrown Network for Childcare (HGNC)
- Learning Network for Kids (LINKS)

Detailed information about these projects can be found on our website. Our continual mission is to promote excellence in the care and development of young children in Grant County. The anticipated outcome will be to ensure the young children in our communities can learn and thrive in their early years.

We strive to consistently ask ourselves how we can make a greater impact and achieve our mission. Enclosed is a sponsorship form that gives information on sponsorship levels. We gladly accept donations throughout the year and hope to connect with you on our social media platforms and website. Thank you kindly, and do not hesitate to reach out with any questions.

Sincerely,

*Kalah Carrasco*
